

Biography

Jonathan Schultz

Jonathan Schultz has been the Director of Emergency Services and Fire Coordinator for Niagara County, NY for the past three years. Jon is responsible coordinating and administering mutual aid and fire training programs as well as emergency management for natural and man-made disasters and emergency services operations throughout Niagara County.

Prior to starting with Niagara County Jon spent more than eight years in Healthcare providing emergency management and safety for a large healthcare consortium in western New York. Jon also brings over 20 years of experience from the fire service as well.
